

## Design Challenge Logistics

Three Q&A sessions are planned, as shown in the table below.

- They will be conducted as Zoom presentations.
- Mentors and students will receive a meeting link via [codecollab.fawcett@gmail.com](mailto:codecollab.fawcett@gmail.com).
- At the conclusion of the Design Challenge students will submit:
  - A design document pdf similar to [Sample Design Document](#) but with content for the Design Challenge
  - A presentation document pdf similar to [Sample Presentation](#)
  - An mp4 video of the team presenting their design
    - 15 minutes maximum
    - Constructed with Zoom client – that can be done with the free client
    - One or two practice sessions would help make a winning presentation
  - The team may substitute a live Zoom presentation for the mp4 upload
  - Teams that wish to do live presentation need to schedule 24 hours before the beginning of presentations on Friday 13 Nov. They will receive a time slot via email.
- All results – document, presentation, and video, will be uploaded to a shared google drive on, or before 10:00 am, 13 Nov. The shared drive will be made available 24 hours before the upload time via the gmail account shown above.
- Please note: The mail link above is for logistics and result uploads, **not for student questions**. Those will be addressed in the three Q&A sessions, shown below.
